

# NOTICE OF FUNDING OPPORTUNITY

## Missouri Homeland Security Re-Opening Solicitation for One Additional Week

TO: Eligible Applicants for 2017 State Homeland Security Program (SHSP) Funding

FROM: Jeff Barlow, Administrator – OHS Grants

DATE: May 18, 2017

Due to the recent flooding that occurred throughout Missouri during the Missouri Department of Public Safety's recent FY 2017 State Homeland Security Program (SHSP) application period and due to a last minute system outage in WebGrants on the original application due date (May 12<sup>th</sup>), we are re-opening the application process for one additional week. We greatly appreciate the work of Missouri's emergency managers and first responders during the recent flooding and want to make sure and give every region sufficient opportunity to participate in this funding process.

This extended application period applies statewide for all regions and will re-open on Monday May 22, 2017 and will close on Friday May 26<sup>th</sup> at 5:00 CST. All the other information previously shared below is still relevant.

**RHSOCs, RPCs and COGs are asked to share this announcement with eligible applicants in your regions.**

The following materials are available to help in the application process:
